4 EVENT RESTRICTIONS

The Committee reserves the right to cancel any event in which the entries are insufficient to justify the holding of a Championship competition. In the case of a very large entry, events of 3000m or more may be split into 'A' & 'B' races. If an event is cancelled and an athlete chooses to move into a higher age group, the athlete will only qualify for an award in the upper age category and any performance will be deemed as appropriate to that age category only. NB

5 CLUB MEMBERSHIP AND CLOTHING

After one year of competition, an athlete must be a member of a club affiliated directly or indirectly to Northern Athletics and England Athletics. Athletes who are club members **must** wear club vests or alternatively a County, Territorial or National vest. University vests are also acceptable. Other athletes must wear a plain vest approved by the Referee. All athletes are reminded that all clothing must be clean, and so designed and worn as not to be objectionable, even if wet. Crop tops are acceptable as team colours if they are in the same colours as the club vest and as near in design as possible. A mix of crop tops and vests in the same team is acceptable. Bib numbers must not be cut or folded.

6 EQUIPMENT

The organisers will provide implements for the throwing events. Competitors may use their own implements provided that these are booked in a minimum of one hour prior to the scheduled start of the individual event and approved by the Technical Manager. Competitors must supply their own poles in the Pole Vault. Competitors must use stadium blocks wherever False Start Systems are in use, if not then personal starting blocks may be used if they conform to regulations and are approved by the Starter's Assistant. All age groups except U15/13 will be required to use false start systems.
